10/26/2017: U.S. Maritime Alert 2017-006A warns mariners of plague outbreak in Madagascar

Posted by LT Amy Midgett, Thursday, October 26, 2017

As a courtesy to our readers, Maritime Commons is sharing the content of [U.S. Maritime Alert 2017-006A](#) issued Oct. 24, 2017, to inform mariners of a confirmed outbreak of pneumonic plague in Madagascar including in the port city of Toamasina. Current information is available from the [U.S. embassy](#) and the [Centers for Disease Control](#). Any questions regarding this alert should be directed to the [CDC](#). Please pay attention to these sources for updates. This alert will automatically expire Oct. 31, 2017.

View this U.S. Maritime Alert or others in the Alert Library by visiting the [Maritime Security Communications with Industry Web Portal](#). These Alerts, as well as U.S. Maritime Advisories, are developed under the U.S. Maritime Security Communications with Industry (MSCI) whole-of-government system.
