

To the Members

June 2009

Dear Sirs,

A Guide for Correct Entries in the Oil Record Book

In November 2004 (Club Circular B.415/L.020) the Managers supplied Members with a complimentary copy of Intertanko's publication "A Guide for Correct Entries in the Oil Record Book".

That publication has recently been revised, and in view of the penalties that can arise if the management of oil is not correctly recorded, a complimentary copy of the latest edition is enclosed in order to aid loss prevention in this area of shipboard operations. This publication has been made available with the financial support of the Ship Safety Trust.

Further copies, if required, should be obtained on application directly to Intertanko.

Yours faithfully,
