

To the Members

March 2009

Dear Sirs,

LOSS PREVENTION POSTERS - COLLISION AVOIDANCE

In order to compliment the recently released "Collision Course" DVD, the Managers have produced a set of four loss prevention posters on the subject of collision avoidance for use onboard Members' vessels. These posters address the requirements of four of the International Regulations for Preventing Collisions at Sea:

Rule 5 - Look out

Rule 6 - Safe speed

Rule 9 - Narrow channels

Rule 10 - Traffic separation schemes

The posters have been produced with the financial support of The Ship Safety Trust, and copies are enclosed. Further copies, if required may be obtained on application to the Managers' London representatives, or downloaded from the Loss Prevention page of the website (www.simsl.com/loss-prevention-posters.html).

Yours sincerely,
