IMO 60th Year - Shipping Industry Commemorative Brochure

July 2008

To mark the 60th anniversary of the founding of the United Nations' International Maritime Organization, ICS and ISF and the other members of the Round Table of international shipping associations (BIMCO, Intercargo and Intertanko) have produced a brochure which can be downloaded and/or printed below

The brochure highlights the co-operation enjoyed between industry and IMO, and the vital need for global regulation for a global industry.
