### Mariupol Port - Ice Campaign Winter 2009/10

January 2010

The ice campaign for winter 2009/10 has been declared at Mariupol with effect from 27 December 2009 until such time as conditions improve and the harbour master issues notice of cancellation. The declaration, in both Russian and English, is available for download below.

Specific regulations apply to navigation in the Azov Sea during an ice campaign. These are summarised in a circular issued by Azovloyd Pandl Services dated 29 December 2009 which can also be downloaded below.
