Sulphur 2020 - E-Learning materials and video

January 2020

With the implementation of the MARPOL Annex VI Sulphur Limits effective from 01 January 2020, Members are advised that Videotel have made available on-line an information video and e-training course that they may find useful. The video and e-training course can be accessed from the following link <https://landing.videotel.com/sulphur2020> and by clicking on the 'Get the free training package' button and completing the required fields.

This material is in addition to the "Joint Industry Guidance on the Supply and use of 0.50% - Sulphur Marine fuel" that was issued in August 2019 and is available from the IMO website.
