a	out of events occurring during the period of entry of a Ship in the Club; and	
	Save where cover for through transport risks has been taken out by the Member on such terms as the Managers agree in writing pursuant to Rule 25 xiii d:	<i>An amendment to recognise that the provision of agreed cover for through transport risks requires a variation to the standard position that cover is only available in respect of risks arising out of the operation of a ship operated by a Member and in which it has an interest.</i>
b	in respect of the member's interest in the entered Ship; and	
c	in connection with the operation of the Ship by or on behalf of the Member.

18	General Exceptions and Limitations	
iii		
	When a Member for whose account a ship is entered in this Class is entitled to limit its liability, the liability of the Club shall not exceed the amount of such limitation or, if the ship is not entered for her full tonnage, such proportion of the said amount as the entered tonnage bears to the full tonnage, in respect of the aggregate of all claims subject to limitation arising out of that incident or occurrence; and	<i>An amendment to provide that a Member's recovery in respect of its own property shall be for that proportion of the claim which would have been subject to limitation if the claim had been brought by a third party. This provision will operate in circumstances where limitation applies and where the value of the aggregate of all claims subject to limitation (including the Member's own property) would exceed the limitation fund.</i>
a	When the Member is entitled under Rule 25 to recover in respect of damage to, or loss of, a vessel, cargo or other property owned by it, as if such vessel, cargo or property was owned by a third party; and when,

25	Preamble	
	The liabilities, costs and expenses against which a Member may be protected and indemnified by entry in the Club are limited to those set out in Rules 25i to 25 xxi inclusive, subject always to	
i	The terms therein provided, and	
ii	The terms of this Rule and of all other Rules of Class 1 Protection and Indemnity insurance, and

25		
xiii	Cargo liabilities	
d Through Transport	Liability for loss and shortage of, damage to or other responsibility in respect of cargo or other property for	

	which the Member may be liable under a through or transshipment bill of lading or other form of contract of carriage providing for carriage to be partly performed by an entered ship, provided that:

Proviso (viii) Discretionary Claims		
(a)

(c)	The delivery of cargo carried under a non-negotiable bill of lading, waybill or similar document without production of such document by the person to whom delivery is made, where such production is required pursuant to the terms of and/or the law applicable to that document, except where the Member is obliged by law to deliver, or relinquish custody or control of, the cargo, without production of such document; ...	<i>This amendment reflects a proposed change to the Pooling Agreement in the light of the decision in the "Rafaela S", clarifying the availability of cover for delivery of cargo carried under a non-negotiable bill of lading. In the "Rafaela S," the English House of Lords held that production of a non-negotiable Bill of lading was required to ensure proper delivery of cargo. The Rule change recognises however that under the law of some jurisdictions, such as the United States, a carrier can be required to deliver cargo without production of the non-negotiable bill, notwithstanding the provisions of the contractual law applicable to that bill.</i>
	<i>Renumber following clauses (d),(e)(f)</i>	

Proviso (xii) Heavy Lift Cargo	There shall be no recovery from the Club in respect of loss of or damage to or wreck removal of cargo carried on a semi-submersible heavy lift vessel or any other vessel designed exclusively for the carriage of heavy lift cargo, save to the extent that such cargo is being carried under the terms of a contract on Heavycon terms or on such terms as the Managers may otherwise agree in writing.	<i>An amendment to incorporate the conditions governing recovery of Heavy Lift liabilities set out in the Pooling Agreement.</i>

(ii)	Paragraph h (i) of Rule 25v; and	
(iii)	Provisos (x) and (xii) to Rule 25 xiii	<i>Consequential amendment to reflect the Rule change introduced in respect of Heavy Lift cargo in Rule 25 xiii and to clarify the parameters regarding recovery in respect of deck cargo generally in the context of wreck removal.</i>
25		
xxi	Loss of or damage to containers	
	loss of or damage to containers owned or leased by the Member; provided always that: there shall be no recovery under this Rule 25 xxi unless the Member has obtained the prior written agreement of the Managers to extend his cover in terms of this Rule and the Member has agreed to such special terms, and has agreed to pay such additional [calls or] premium, as the Managers may require.	<i>Correction to eliminate surplusage.</i>
