## To the Members

Dear Sirs.

NOTICE IS HEREBY GIVEN that a General Meeting of the Members of Steamship Mutual Underwriting Association Limited (the Association) will be held at the Registered office of the Company, Aquatical House, 39 Bell Lane, London, E1 7LU, United Kingdom, at 11.00 hours on 18 February 2014, to consider and if thought fit to pass the following resolutions:

#### RESOLUTIONS

## CHAIRMAN'S REMUNERATION

The following resolution is proposed:

THAT with effect from 14<sup>th</sup> May 2013 the fee payable to the Chairman shall be increased to £750 per meeting attended.

## **CLASS 1 RULES**

The following resolution is proposed:

THAT with effect from Noon G.M.T. on 20th February 2014, the proposed amendments to the Rules of Class 1 (Protection and Indemnity) of the Association, as set out in the table annexed hereto, and as summarised and explained in the commentary, be adopted.

Explanatory notes in italics have been provided in the table, but in summary the principal changes are as follows:

#### Rule 2 - Definitions - Ship

An amendment to reflect a proposed change to the definition of Eligible Vessel in the Pooling Agreement, which will exclude from pooling liabilities arising in relation to vessels constructed or adapted for the purpose of carrying out drilling operations in connection with oil or gas exploration or production.

## Rule 17 - Recovery and Rule 25 ii (c) (ii) - Repatriation Expenses

The references to sub-Rule 17 iv have been deleted and the text of that provision has been set out in Rule 25 ii c (ii), being the Rule which specifically addresses cover for repatriation expenses. A minor amendment gives the Managers a further discretion to make payments in relation to damages or compensation for personal injury, illness or death of any Seaman.

#### Rule 19 – Hull Risks and Specialist Operations

v Salvage Operations - An amendment to reflect changes which have been agreed to the Pooling Agreement for the year 2013-14, which clarify that the exclusion in Appendix V paragraph 24 of

the Pooling Agreement in respect of liabilities, costs and expenses arising out of salvage operations, includes wreck removal operations by the entered vessel.

#### Rule 21 - War Risks

The second part of the existing Rule 21 refers to a number of guarantees, undertakings and certificates of financial responsibility which the Club now issues pursuant to identified legislation or international conventions, notwithstanding the exclusions in Rules 20 (Nuclear Risks) and 21 (War Risks). The proposed amendment to Rule 21 would permit the Club to issue a guarantee, undertaking or certificate pursuant to new legislation or an international convention which is not in the existing list identified in Rule 21, and which comes into force during the policy year. The Wreck Removal Convention may come into force during 2014 requiring Clubs to issue Wreck Removal blue cards.

# Rule 25 ii (c) (ii) - Repatriation Expenses

The provision previously set out under Rule 17 iv is re-stated as proviso (a) to Rule 25 ii (c) (ii). A further amendment is proposed to this Rule following agreement by International Group Clubs to cover repatriation costs where abandonment occurs after cesser of entry or termination of P&I cover due to insolvency of a Member, for a period until expiry of the policy, or 3 months after the date of cesser or termination upon notice, whichever shall first occur. This addresses concerns of MLC Flag State Parties in connection with the implementation of the Maritime Labour Convention (MLC), and the manner in which Club cover responds following cesser of entry upon insolvency, or cancellation or termination where a Member has failed to pay premium.

The existing exclusions to recovery of expenses in connection with crew substitution and shipwreck unemployment indemnity are extended to exclude recovery for repatriation expenses by the Member (but not relevant third parties) in the circumstances specified, for example in the ordinary course of business, such as upon the commercial sale of a ship, rather than upon insolvency.

## Rule 25 vi - Pollution

A number of proposed amendments harmonise the language used across paragraphs **25 vi a** to **d**. The existing requirement in sub-paragraph **d** ("Costs Pursuant to Government Directions"), that Club cover shall not respond for liabilities, costs and expenses otherwise recoverable under the Entered Vessel's hull policy, is extended to apply equally across all of the sections in which Club cover for pollution liabilities or pollution mitigation/avoidance is provided. The Hull policy proviso is therefore removed from sub-paragraph **d**, and listed along with the other provisos (i) to (iv) that apply across sub-paragraphs **a** to **f** of Rule **25 vi.** 

# Rule 25 vii – Fixed and Floating Objects Rule 25 xiii - Cargo Liabilities

Amendments to these Rules clarify that liability to property other than cargo, whether or not on board an entered ship, fall to be covered under the FFO as opposed to the Cargo Liabilities Rule.

## Rule 26 – Classification and Condition Surveys Rule 37 - Non-Payment of Premium and Other Sums

A new provision at Rule 37 iii c preserves the right on the part of the Managers to cancel back for non-payment of premium from inception of a policy year, in circumstances where cover may already have been terminated in accordance with the Rules from a later date, such as under Rule 26 iii b (i), based on the vessel's condition. A corresponding amendment to Rule 26 iii b,

recognises that the rights set out therein do not prejudice other rights which may be available to or exercised by the Managers elsewhere in the Rules.

#### Rule 47

Given that the Club Rules already exclude the application of the Contracts (Rights of Third Parties) Act 1999 and similar legislation, (with the aim of precluding third parties from acquiring rights under the Rules), a consequential amendment is required to permit payments to third parties as contemplated in Rules 17 iii and 25 ii c (ii).
