Why are the bank details changing?

The Club needs to have sufficient diversification of its banking relationships to service Members. The move from M.M. Warburg to Bank of New York Mellon was only a temporary measure while the Managers identified another suitable bank, which is now Barclays.

These details can be verified with your Club representative and will also appear at the foot of all invoices and statements issued hereafter.

Thank you for your co-operation.

Club Circular: E.102

Yours faithfully,
STEAMSHIP MUTUAL UNDERWRITING ASSOCIATION (EUROPE) LIMITED
