

Member and Broker Survey

An online survey for our Members and Brokers

July 2022

Dear Members,

We have commissioned an independent market research agency, Firebrand Insight, to coordinate an opinion survey on our behalf to be sent to our current Members and their brokers.

All responses received will be anonymous (unless you provide express permission that your comments can be identified with you personally). The results will be collated and then independently analysed, enabling us to gain a better understanding of your priorities and identify areas for improvement, where appropriate.

The online survey will be distributed during the week commencing 25 July 2022 and should not take you more than 15 minutes to complete. If you do not receive the survey please let your usual Club contact know.

Your participation is extremely valuable, thank you.
