	Club	
	References in these Rules to the "Club" shall be treated as references to the Steamship Mutual Underwriting Association Limited, save that references to the Club in Rule 47 <u>of Class 1</u> <u>and Rule 23 of Class 2</u> shall be treated as references to the Steamship Mutual Underwriting Association Limited, the Managers as defined below, Steamship Mutual Underwriting Association (Europe) Limited, Steamship Mutual Underwriting Association (Bermuda) Limited, The Steamship Mutual Trust, and Steamship Mutual (Emergency) Limited, and in each case their respective branch offices and subsidiaries.	The Class 2 rules incorporate their own Sanctions exclusion at Rule 23 which is on identical terms to Rule 47 of the Class 1 Rules. The purpose of this amendment is to clarify that the sanctions exclusion is intended to operate in the same way under both classes: where a sanction, prohibition or adverse action, or the risk thereof, arises in relation to an entity within the Steamship Group but not the insuring entity, the sanctions exclusions will apply nevertheless to the cover provided by the insuring entity. The specific reference to Rule 23 of Class 2 is intended to clarify that this is the position under Class 2 cover as well as Class 1.

vii	Non-Marine Personnel	
	Liabilities, costs or expenses incurred by the Member in respect of any of the following:	
a	personnel (other than Seamen), on board the Ship employed otherwise than by the Member, where the Ship is providing accommodation to such personnel in relation to their employment on or about an oil or gas exploration or production facility, unless there has been a contractual allocation of liability agreed by the Managers.	This rule, and the corresponding provision in the Pooling Agreement, have been the subject of several amendments over recent years. A further issue has arisen concerning their interpretation, in particular whether the expressions "on board" and "on or about" introduce an ambiguity as to the location of the non-marine personnel at the time of the claim. The Group Managers have concluded that this exclusion should apply regardless of where the accident or injury occurred, unless a contractual allocation of risk has been approved on Knock for Knock terms. The Pooling Agreement for the 2024/2025 policy year will include an amendment to implement this decision. This amendment is to align the Class 1 rules with the terms of the updated Pooling Agreement when it comes into effect.

	restaurant, bar or other place of entertainment.	

25	Covered Risks	
xii	Quarantine Expenses	
	Expenses incurred by the Member in consequence of:	
а	an actual outbreak of infectious disease on board; and/or	
b	a quarantine or public health order applicable to	
	the Entered Ship, -in respect of:	This rule was amended last year to address issues arising out of the Covid pandemic, which highlighted several areas where the existing rule created uncertainties as to the scope of cover, and to set out more clearly the circumstances when cover would apply. The words "in respect of" appeared immediately after "b", and not on a separate line, as was intended, such that those words would apply to both "a" and "b". This amendment is to clarify that this is indeed the intention.
	in respect of:	
	1. Disinfection	
	2. Additional fuel consumed	
	3. Stores and provisions	
	4. Port and agency charges	
	5. Cargo handling	
	6. Insurance	
	7. Shifting	
	8. Deviation expenses	
	but only in respect of each of (i) – (viii) to the extent that such expenses would not have been incurred but for the outbreak or quarantine or public health order and could not in the opinion of the Managers reasonably have been avoided; and <i>Provided that:</i>	
	 unless otherwise agreed by the Managers, at the time when the ship was ordered to the port either: 1. The ship was already contracted to call there; or 2. It was not in the opinion of the Managers reasonably to be anticipated that the ship, its cargo or its crew would be subject to a quarantine or public health order.
