We ring in the new P&I Year

When we start the new P&I year our most recent recruits into the Underwriting team ring out the ship's bell. That honour fell to Grace Taylor and James Chalk.

CEO, Jonathan Andrews and Head of Underwriting, Gary Field reflect on a successful renewal for Steamship Mutual, highlighting key achievements and looking ahead to the coming year.

To find out more, read our latest Press Release.

Dealing with Drug Smuggling at Sea

▲ Loss Prevention

With the increasing challenges of drug smuggling at sea, Steamship Mutual, in collaboration with Marine Media Enterprises, is making the video "Drug Smuggling at Sea" freely available through the below link. Other programmes intended to educate, guide and inform seafarers on crew welfare and safety are available through the [Donate & Train Scheme](#) hosted by Marine Media Enterprises.

Ships are often targeted for drug smuggling activities, with crew members sometimes coerced and enticed into assisting in trafficking, risking both their careers and in some cases their personal freedom.

Club News

Human Reliability and Risk

Ross Millar explored how obstacles to understanding may limit insight, and increase risk. Addressing gaps improves decision-making, reduces risk, and enhances reliability for safer, more efficient operations.
